

License Summary

- License is annual.
- There are 4 types of license available:
 - Commercial. Commercial license is the standard licensing option for organizations and business entities. Licenses are purchased by the company and can be used by any person within this organization;
 - Floating. Floating license is similar to commercial license but can also be used on a floating license server.
 - Personal. Personal license is an option for private individuals who purchase a license with their own funds, and solely for their own use. Personal licenses are not to be purchased by companies;
 - Educational. Educational license can only be used for educational purposes (for non-commercial purposes only).
- Commercial use allowed for commercial, floating and personal licenses without any royalties.
- Cannot modify source-code for any purpose (cannot create derivative works).
- All nodes from KeenTools bundle are under the same license.
